Your Meritain Health member website gives you a quick view of your out-of-pocket expenses to help you plan for health care spending. Right from your dashboard, you can see how much you've spent so far for the plan year, and how close you are to meeting your deductible.

You can also find your out-of-pocket expenses from the homepage. Simply click on the *View All* text in the *Out-of-Pocket Expenses* tile. If you have a family plan, you can view out-of-pocket spending for each dependent on your plan, as well as out-of-pocket spending for your entire family. Member Statement

Member statements are easy-to-understand. The layout is like a bank statement—something that is recognizable and can be reviewed quickly.

Your member statements will be mailed the second week of each month. At a glance, you will see all claims processed in the previous month. EOBs are always available online and will continue to be sent only in cases of coverage denials. These EOBs will contain instructions for filing appeals.

You can access your statements by clicking Benefits and Coverage on the top menu bar of the homepage. Then, select the *Member Statements* option in the drop-down.

The screenshot shows the Meritain Health website interface. The top navigation bar includes 'Plan', 'Benefits and Coverage', 'Claims', 'Tools and Resources', 'Find Care', 'Subrogation', and 'Submit a Claim'. The 'Benefits and Coverage' dropdown menu is open, showing options like 'ID Card', 'Letter of Coverage', 'Coordination of Benefits', and 'Member Statements' (which is circled in orange). Below the menu, a table lists coverage details for Group ID 99980, including 'Medical', 'Effective Date', and 'Member ID Cards'. On the right, there are sections for 'Member Resources' and 'Out-of-Pocket'.

Your available member statements will be displayed in chronological order. Click on the *Monthly Statement* link and your download statement will be available.

The screenshot shows the 'Member Statements' page. It includes a breadcrumb trail 'Benefits and Coverage / Member Statements' and a heading 'Member Statements'. A note states: 'Your available member statements will be displayed in chronological order. **Please note:** The list of available statements will ONLY display for the months a member statement was produced. If there was no activity in a given month, no statement will be produced. Statements are typically produced on the 20th of the following month for activity in the previous month and viewable statements below will be for the last 18 months.' Below this is a table with columns: 'Month', 'Year', 'Group ID', and 'Monthly Statement'. The table shows one result for February 2024, Group ID 99980, with a link to '22024-Monthly Statement'. Submitting a Claim

If you need to submit a claim request for a member, you can do this easily through your website!

These forms can be filled out and submitted online by clicking on the top menu bar *Submit a Claim*. The menu will be available based on the group set up. There may also be other member reimbursement forms available to you, based on your benefit design.

Once you click on *Submit a Claim*, you will choose the patient's name in the first drop-down. Then, choose the claim type on the second drop-down. Lastly, click *Select*.

The screenshot shows a web form titled "Submit a Claim". Below the title is a section header "Claim Submission Selection". There are two dropdown menus. The first is labeled "The patient is *" and has the text "Choose patient..." with a downward arrow. The second is labeled "Claim type" and has the text "General Medicine" with a downward arrow. A blue button labeled "Select" is at the bottom right, circled in orange.

One of the many service types we offer is the General Medicine form. The form should be used when you are requesting a reimbursement for an out-of-network medical claim or if you paid out-of-pocket for a covered service.

Another service type we offer is the COVID-19 Pop-Up Test form. This form is for pop-up testing reimbursement only. It is not to be used for tests received from a provider in a provider setting.

This form can be found on the claim type drop-down.

The screenshot shows the same "Submit a Claim" form. In this instance, the "Claim type" dropdown menu has "COVID-19 Pop-Up Test Reimbursement" selected. The "Select" button is still present at the bottom right.

You should provide information in all mandatory fields for the request to be submitted successfully. Once completed, you can click *Submit* at the bottom of the page.
